

Holistic care that's all about *you*

Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

Lifestyle

Montrose Aged Care Centre offers a supportive lifestyle for men who are marginalised or vulnerable in the community. Our beautiful heritage home has a range of single rooms with private ensuites, and is designed with residents' comfort, security and sense of belonging in mind. We are close to public transport and within walking distance to local shops and services and the Balmain Wharf, with beautiful views of the Sydney Harbour.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and social workers, and the local community are critical partners in enhancing the quality of care and wellbeing at Montrose Aged Care Centre.
