Aged Care

# Welcome

---

We understand that at times, caring can be both physically and emotionally demanding. Short-term respite care can help lighten the load for both the carer and the person being cared for.

The Salvation Army has been providing care in Australia since 1880. The Salvation Army Aged Care's purpose is to promote a unique experience of choice, lifestyle and belonging for all people as they age.

Our personalised, holistic model of care is designed to make each stay both enjoyable and restorative in a safe and caring environment.

Our day respite centre operates Monday through Friday **9:00am – 3:00pm** and is ideal for carer respite, maintaining community engagement and enhancing wellbeing. Day programs cover exercise, music, art, storytelling, armchair travels, cooking and more. Lunch and morning tea included.

Burrangiri Aged Care Respite Centre is an ACT health site operated by The Salvation Army Aged Care.

The Salvation Army acknowledges the Traditional Owners of country throughout Australia and recognises their continuing connection to land, waters and community.

We pay our respects to them and their cultures; and to elders both past, present and emerging.
