

# Holistic care that's all about *you*

## Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

### Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

## Lifestyle

Bethany Aged Care Centre offers a supportive, community lifestyle in a comfortable and cosy home. We have a wide range of spacious and affordable single room options to suit different needs, tastes and budgets, and many outdoor seating areas with gardens. We are only minutes away from public transport, the beach and native bushland as well as the town centre and local services.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Bethany Aged Care Centre.
