

# Holistic care that's all about *you*

## Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

## Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

## Lifestyle

Kubirri Aged Care Centre offers a supportive and vibrant lifestyle in a comfortable and well-run home. We have a range of modern single rooms with private ensuites to suit different needs, tastes and budgets.

Designed in consultation with the community and industry experts, the centre leads the way with sustainable design to minimise our environmental footprint and has expansive gardens and spacious interiors. We are minutes away from the Mossman town centre and have views of the surrounding rainforest and greenery.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Kubirri Aged Care Centre.
