

# Holistic care that's all about *you*

## Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

## Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

## Lifestyle

Linsell Lodge Aged Care Centre offers a supportive lifestyle in a comfortable, community setting. We have a wide range of single room options with ensuites to suit different needs, tastes and budgets. All rooms have plenty of natural light, high ceilings and views of our many garden areas. Conveniently located, we are close to public transport, Arndale shopping centre and local services.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Linsell Lodge Aged Care Centre.

Aged Care

## Care team

Linsell Lodge Aged Care Centre is led by the Centre Manager. Together with our Care Manager, Chaplain, Registered Nurses, team of specialists and care staff, we ensure that every resident is safe, comfortable and loved.

### Our residential care includes:

- Permanent and respite (short-term) care
- Dementia and palliative care.

*“Staff do a terrific job here, they do so much to make people happy. The kitchen staff turn out so many meals and they are so good. Nurses and medical staff are always helpful, and carers do a terrific job – they are called on to do so many different jobs. The maintenance will always help when they can and cleaning staff do a great job.”*
