

# Holistic care that's all about *you*

## Lifestyle

Maybanke Aged Care Centre offers a supportive lifestyle in a homely setting. Our home has been designed with residents' sense of belonging in mind. We have a range of single room options with private ensuites and beautiful garden areas, and are close to public transport, shops and local services.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Maybanke Aged Care Centre.
