

Holistic care that's all about *you*

Welcome

The Salvation Army has been providing aged care in Australia since 1880. Our purpose is to promote a unique experience of choice, lifestyle and belonging to all people as they age.

Our difference

- Holistic and person-centred care
- Caring, qualified and experienced staff
- A strong sense of community
- Pastoral and chaplaincy services available
- A government accredited provider that you know and trust.

Lifestyle

Rosedurnate Aged Care Centre offers a supportive and comfortable lifestyle with a sense of community, close to the Parkes town centre. We have a wide range of single and twin room options to suit different needs, tastes and budgets, with views of our lovely gardens and the surrounding suburbs.

You can trust our staff to go well beyond clinical needs to cater for the physical, mental, emotional and spiritual wellbeing of our residents. We take time to learn what is important to each individual and provide a range of programs tailored to help them live their best lives. Respect, dignity and choice are at the heart of all that we do.

Residents, their families and the local community are critical partners in enhancing the quality of care and wellbeing at Rosedurnate Aged Care Centre.
