Residents can access government-subsidised Support at Home services through Salvos Home Care, including nursing care, health therapies, personal care and help with housework – all while continuing to live independently.

Furthermore, if you or your partner ever needs short-term or permanent 24-hour support, Riverview Gardens Aged Care Centre is located nearby. Have the reassurance that you can receive whatever type of care you need without having to go far, whenever it's needed.

Rest easy knowing you can get the help you need, when you need it, without having to start over.

A provider you can trust

The Salvation Army has been walking alongside older Australians for more than 140 years. Over this time, we've built a reputation for genuinely caring about the wellbeing of every person we support. Inspired by the message of Christ, our mission is to serve all Australians in practical and tangible ways. The service we provide goes beyond the physical to ensure residents are happy and comfortable.

We respect each individual and the rich lives that they have led, so our support is centred on their needs and preferences, not ours.

"My neighbours are friendly and reliable. I really enjoy life in the village.

If there is a problem the Salvos are there. It is just a matter of asking and someone will help with the problem.

Happiness and love in a family environment. It is the best move we made."
