COMMUNITY CARE

Live the life you want  
**while receiving the  
care you need.**

Aged Care

## Welcome

The Salvation Army has been providing aged care in Australia since 1899. Our purpose is to promote a unique experience of choice, lifestyle and belonging for all people as they age.

We welcome, support and guide all people and their families - to become part of our family - where they have freedom and can be themselves.

## Holistic care

Everyday tasks can become more difficult as we age. We offer you a range of services to support you living independently in your own home and continue to be a part of your community. We will work with you to develop your personalised plan based on your individual needs. This can be adjusted at any time and is focused on enhancing your independence, health and wellbeing.

*“It has been wonderful receiving care and assistance. My three children work full time, so it’s hard to call on them when I need an extra hand.”*

Catherine
